WORK EXPERIENCE

SHECODES — Lisbon, Portugal

Front-End Developer Intern — March 2023 – July 2023

- Worked through the software development life cycle gathering user requirements and building the code for the tool, which saved the employees 6 hours each month in manual labor.
- Developed in-house web application using JavaScript, React, HTML/CSS that allowed customers to check their weather according to their location and this increased my knowledge on Reactjs.

NON-PROFIT ORGANIZATION — Accra, Ghana

Front-End Developer Intern — Jul 2022– Oct 2022

- Worked with 3 developers to build a unit testing infrastructure for a client web application, reducing the number of reported bug issues by 9% month over month.
- Collaborated with in-house designers to redesign a Magento based website using HTML, CSS and Javascript, making it responsive for mobile devices and increasing customer engagement by over 5%.

VOLUNTEERING & UNIVERSITY PROJECTS

SCHOOL PROJECT — Jan 2023

- Redesigned a school e-commerce website based on hostels & student ID requirements, encouraged customer & seller communication & trust increase by 7% on social media

PERSONAL PORTFOLIO PROJECT — Nov 2022

- Built and released a responsive website using JavaScript, React Bootstrap, HTML/CSS, allowing me to showcase my previous projects I have worked on. And so far have receive positive feedback about it.

ACTIVITIES

ADVOCATE FOR WOMEN-IN-TECH MOVEMENT — Accra, Ghana

Advocate/ Inspiration

- Advocate for Women-In-Tech to encourage women & students looking to pursue a software engineer degree.
- Encouraged over 100+ girls to join the ALX free software engineering course through advocacy.

CODING CHALLENGES & HACKATHONS — Accra, Ghana

Competitions

- Regardless of how much of a beginner a coding challenge or Hackathon is, I take part; helps me to continue to get better at programming

ADDITIONAL

Technical Skills : APIs, Git, HTML/CSS, JavaScript, Reactjs, Bootstrap

Languages: Fluent in English.

Certifications & Training: Online Course in Front-End Web development from SheCodes, Meta, ALX; Passed Resume Worded examinations.
